Address: _____

Home Phone: _____ Date of Birth: ____ / ____ / ____

Free Periods: _____

Parental Contact during the day:

1.) Name: _____ Phone: _____

2.) Name: _____ Phone: _____

My son / daughter _____ has my permission to donate blood during the Blood Drive sponsored by the National Honor Society of St. Anthony's High School on Wednesday, March 10th, 2021. I understand that this will take place during a free class period and that it may be necessary for my son/daughter to miss another class period in order to recover from the donation; it is also understood that any work of a missed class must be made up. The students must be 17 by March 10 and live in the USA for three consecutive years. **Student must make this appointment with** the Academic Office (room 109) by Wednesday, March 3. (If Campus III, please bring in permission slip after school and before 3:30 pm on or before March 3 and you will be able to schedule an appointment - Campus III students who are giving blood will come to school and attend classes virtually for the entire day).
