Brother David Anthony Migliorino, O.S.F.
Principal

Dear Saint Anthony's High School Family,

Everybody loves the word **Welcome**, so WELCOME BACK TO ANOTHER EXCITING SCHOOL YEAR, the Year of Engagement. A year where each of us concentrates on Engaging with one another as Friars! As I thought about our theme **ENGAGEMENT** for the 2025-26 school year, I realized as Friars we have so many opportunities to Engage with one another, please allow me to spell it out for you.

F is for a **Fresh start**. Everyone starts out **Fresh and New**, here at Saint Anthony's. We can **engage** with a new **sports** season, new **clubs**, new **faculty** and **staff** members, a **new freshmen class of 612 students**, new **families**, so many ways to Start **FRESH**. This is your chance to start a new path for your **Future**.

R is for **Religious Activities**. Our school is centered on the **Faith**; thus, we have so many wonderful ways to participate with **Liturgies, Retreats, Prayer Services and Service Opportunities**. I remind all of you that our **Mass of the Holy Spirit** is set for **September 17** and our **Freshmen Class and Parents Communion Breakfast** will take place on **Sunday, September 7**. Please use the **Franciscan Spirituality** of the school to **engage** yourself with our God

I is for **Involvement**. It is your time to become involved in so many of our clubs, teams, and Friar Spirit. We have a party set for the Freshmen Class at **Adventure Land** on September 3, a **mandatory Freshmen and Transfer Parent night** on September 2, **Pep Rallies**, the **Fall Play, Dress Down Days** for special causes, **Car washes**, a new **Sports Season!** Our **Mothers' and Fathers' Guilds** allow our parents to share in all of the Fun that goes on here at school each and every day and the **Alumni and Advancement Offices** provide many opportunities for our graduates to celebrate with us.

A is for **Academics**. Our school prides itself on **Academic Excellence**. It is our duty to provide a challenging curriculum for every student so that they can succeed and grow. **September Orientation Days** will allow every student to become acquainted with the daily routine of classes, rules, and pertinent information. Our **Academic Awards assemblies** takes place on September 24 and 25, **Senior College Financial Aid Night** is set for September 30, **SAT and ACT** information is listed on the calendar, **Meet the Teachers nights** are set for September 11 and 18, and our annual **Open House** will take place on Saturday, September 27. I urge every parent to keep abreast with your students' academic progress by checking the **Portal** Weekly and please feel free to contact us for any questions. Your child's success depends on **all of us working together**.

R is for **Rules**. Please acquaint yourself with our **New Cellphone Policy**, the **Attendance Policy**, and our **School Handbook**. These rules are in place for the sole purpose of making the school experience work efficiently for every student. I ask that you address these regulations with your child.

S is for **Saint Anthony's High School**. I am so glad that you have entrusted your most precious treasure, your child with us. **Together** we can create not just a **graduate** but also an **Apostle**; one who will serve the **school, church** and the **community**. Together, we will develop great **Moral Citizens** who will carry the **FRIAR SPIRIT** to everyone they encounter.

With all of this said, a bid you a **Warm Welcome** to the Year of **Engagement** as the Friars of the 2025- 2026 school year. Let us together lead one another as we begin a New Year.

AND REMEMBER, BROTHER LOVES YA!!!

In Saint Anthony, Our Patron,

Brother David Anthony, OSJ
