Principal

Dear Saint Anthony's Family

A Happy and Blessed Easter to all of you. I pray that the **Risen Lord** has touched all of you and your family members in a special way. The **Glorious Season of Lent** and the **Magnificent Liturgies of Holy Week** are all behind us. It is NOW time to live out the **Resurrection of Jesus Christ** in our lives as we acclaim that We are **Easter People** and our song is **Alleluia!!!**

With all of that said, Welcome to the month of **April**. I trust you had a great Easter gathering with families and friends and look forward to another month here at Saint Anthony's filled with many events for all of us.

On the **Academic front**, the month allows many of our students to take their First or Final **SAT and ACT** of the year. Please make sure that your student has signed up for these future exams. Our **Fine Arts** will be on display with our **Choral Concert, Instrumental Concert, Jazz Concert** and the **Spring Art Show**. The **talent** that will be on stage and in the halls is really the best. I am always so amazed at our students' talents in **Art, Voice** and **Instrumental music**. Their efforts allow all of us the opportunity to sit back, gaze at their work, and see the progress that so many have made.

One of the Highlights of the month is our annual **Multicultural Day!** I so enjoy seeing the **diversity** of our students display their **culture** and **heritage**. It is not just about food; it is all about seeing the **Beauty of America**, a land where **Diversity and Unity** come together shaping us all as citizens of one **Nation**.

It is a month of **service** in so many ways. All of our Student Leadership Organizations will be selecting officers and new board members as we begin to prepare for the 2026-27 school year. Another major highlight of the month is the **Saint Anthony's Challenger Carnival** sponsored by the National Honor Society. We will open our doors and hearts to our special guests and provide games, prizes and a carnival atmosphere for all to enjoy. This event makes me so proud to be the Principal here at Friarland, seeing our students, faculty, and staff interacting with our Guests allows me to see our **Franciscan Charism of Hospitality in Action**.

Since most of our seniors have received not only College acceptances but also college scholarships, senior athletes will commit to the colleges of their choice in a special ceremony. Then every senior will be celebrating it all on **Senior Antics Night**. A night where they just come; have fun here at school not just as individuals but also as the **Class of 2026**. The month ends with a special luncheon for our Faculty and Staff sponsored by the Mothers' Guild thanking all for their efforts every day.

Finally, April reminds us that we are in the **Fourth** and **Final** Quarter of the school year. It is now time to realize that we must **Finish Strong**. Remember that there are still two months of school left with **AP, Regents and School exams**. So as we continue with our **Engagement** Theme, let us keep our schoolwork as our **Top Priority** by getting all things not only done but also done **WELL**.

I look forward to seeing many of you at these great events, until then enjoy the Season of Spring and **Remember that Brother Loves Ya!!!**

In Saint Anthony, Our Patron,

Brother David Anthony, O.S.F.
