Brother David Anthony Migliorino, O.S.F.
Principal

Dear Saint Anthony's Family,

Well it is **JUNE!** I guess we can say that the end has finally come to this school year; however, hold on there is still plenty going on here at Saint Anthony's High School.

So let us begin with the **Senior Class**. Our Senior Class last day was May 21. It started at **5am** with a great **Sunrise** service filled with **food, shirt signing, tears, countdown** and every **emotion** possible. **The Class of 2026** has been just a blessing to all of us. The end of the month was marked with **College Sweatshirt day, Senior Class Barbeque, the Senior Prom** and all will culminate with a **Beautiful Evening Liturgy on June 5 at 7:00PM** celebrated by **Bishop Barres and our Chaplain Father John Crozier**. The next day June 6, they will **Graduate, Toss their Caps on the Football field and begin a new Chapter in Life**. Their journey started out a bit shaky but they finished with **Grace, Style and Dignity**. **I am so very proud of these new Apostles.**

Once again, June has something for everyone. **The Fourth Quarter ends on June 8**, followed by Study days for **Regents Exams (June 9-25)** as our underclassmen continue on their journey here in Friarland. Many students will be traveling for a Fun Day at **SIX FLAGS** on June 11 and we all will celebrate the **Feast of Saint Anthony, Our Patron on June 13**.

The Faculty and Staff will have their last day of professional development and pause to Honor our retirees: **Mrs. Jennifer Baldwin Schafer (Fine Arts), Mrs. Mary Correll (College Center) and Brother Robert Gabriel, OSF (Campus Ministry)**. These individuals have certainly left their mark here at Saint Anthony's. We thank them for their many years of dedication to all of us. While I hope, they enjoy their retirement I also want to remind them that they are **Friars Forever!**

Our Mothers' and Fathers' Guilds have their final meetings of the year and will install the new officers for the 2026-27 school year. These men and women have given so much time and shared their talent with all of us, especially the 2500 students. We would be lost without their dedication.

Besides the celebration of Graduation, June allows us to celebrate our **Dads, Uncles, and Grandpas** on **Fathers' Day**. These men are great examples of **Saint Joseph** who guided and care for the Family of **Jesus and Mary**. We also celebrate **JUNETEENTH, as the day that ended slavery in our country**. **On June 20th, Bishop Barres will ordain Deacon Dillion Vita a 2013 Graduate of Saint Anthony's HS to the Priesthood** at Saint Agnes Cathedral in Rockville

Centre. We wish **Father Dillion Vita** all the best as he begins his years of **Service to the Church here in our Diocese.**

We will once again host **the Police Surgeons' Benevolent Association Car Show** on June 14. Each year this organization assists our **Police heroes** who have served us and kept us safe each day.

Finally, June ends with the Beginning of **Friar Summer Camp, Friar Summer Enrichment Programs, Summer School and Prep Classes for the August Regents Exams.** We continue to build on great **enrollment** and **new adventures for present and future Friars.**

As I complete my Seventh Year here as principal, I continue to be blessed and most grateful for all that make Saint Anthony's High School, a **Sacred Place.** A Place that is home to Great Students, Parents, Grandparents, Faculty, Staff, Alumni and Benefactors all who allowed the 2025-2026 year of **ENGAGEMENT TO BE A YEAR TO REMEMBER.**

*Enjoy the months of Summer, Rest, Relax, Renew and Refresh **and REMEMBER BROTHER LOVES YA EVEN IN JULY AND AUGUST!!!!!! HAPPY SUMMER***

In Saint Anthony, Our Patron,

Brother David Anthony, OSJ
