Brother David Anthony Migliorino, O.S.F.
Principal

Dear Saint Anthony's High School Family,

"Tis the Month of Our Mother, the Blessed and Beautiful Days". I recall singing this hymn every day during the month of May as we honored the Blessed Mother at Epiphany School. So, yes, welcome to May: the month we honor Mary, Our Mother and our own Mothers who gave us life and who lead and nurture us every day.

The hymn speaks of Blessed and Beautiful Days. Well, here at Saint Anthony's not only are the days blessed and beautiful they are also filled with many events. I would like to highlight some of them for you.

Spiritually, the month begins with our annual May Crowning Liturgy and Rosary Walk to the Grotto where we crown Mary, as Queen of Heaven. During the month, we will install our new class of Eucharistic Ministers and call them to service. I ask you to keep the Franciscan Brothers in prayer this month as we will elect new leadership for our congregation.

Academics take center stage this month. Many of our students will be taking AP Exams. They, along with their teachers, have prepared for them and now it is time to master the exam. We will induct many new members into the National Honor Society and our Faculty and Staff will be celebrated on National Teacher Recognition Day. Please keep in mind that June and Regents Exams are just around the corner.

The month promises many Activities, something for everyone: The 51st Annual St. Anthony's Track & Field Invitational, the 32nd Annual Golf Classic, Improv Night, Park Bench Players, Spring Car Wash and Spring Varsity Athletic Awards, just to mention a few.

The Class of 2023 celebrates many activities: Senior Antics Night, College Sweat Shirt Day, Senior Sunrise Celebration Day, Senior Barbecue and Games and, of course, The Prom. These are all beautiful events to honor a class that has brought much pride, honor and success to Saint Anthony's High School.

Finally, yet importantly, it is the month that we honor very special people, **OUR MOTHERS**. These women have given each of us not only life but also love, care and support. They are our biggest critics and greatest supporters. Mothers are special people who allow us to realize all the goodness of life. Remember it was God who gave us salvation through the goodness of a woman named Mary. Her Yes changed our World forever. So... **Happy Mother's Day** and be certain of my love and prayers for each of you today and always.

In Saint Anthony, Our Patron,
