Dear Saint Anthony's High School Family,

It is November, the Month we Stop everything to say ***Thanks for so many blessings in our lives.*** As I sit at my desk writing to you, I realize I have so many things to Thank God and all of you for in my daily life here at Saint Anthony's. Well, please allow me to tell you about all of the wonderful planned events and how blessed we all are to be part of the many celebrations that will fill the month.

Two Important feasts start the month - The Feast of All Saints and All Souls. This is a perfect way for us to recall so many individuals who have been great examples to each of us. On November 5, we will honor our deceased loved ones at our Annual Alumni and Friends Liturgy. Retreats, service opportunities, Adoration, Food Drives and prayer services will fill the month culminating with the entire school offering and recalling our many blessings at Two All-School Liturgies.

Academics will play an important part in our lives this month. Our First Marking Period will end on Nov.7 and parents will have an opportunity to visit with the teachers on Nov. 20. All Future Friars will be taking the TACHS exam on Nov.4. Many of our senior athletes will begin their futures on National Letter of Intent Day. As we begin a new quarter with a fresh start, many students will be inducted into the English National Honor Society.

Franciscan Gratitude will abound this month in a special way as we honor Our Veterans on November 8 with a special liturgy and visits in our Social Studies Classrooms. It is also a time to learn from the past as the Museum of Memory Exhibit will grace our halls.

There are many important and fun events this month. Senior Drive-in Movie Night, Fall Sports Championship games, Freshmen class Student Council elections, the Fall Musical *GODSPELL* and Powder Puff Football Night just to mention a few. The school will offer opportunities to visit our campus with Friar For A Day and afternoon Admissions tours.

Our Moms, Dads and Alumni will be here having fun at the annual Mothers Guild Craft Fair, the Fathers Guild Thanksgiving Liturgy and Dinner and, of course, the Thanksgiving Weekend Alumni Reunions here at school.

As I sit down and enjoy my Thanksgiving Feast, I will certainly ***Stop and Give Thanks for all of the blessings in my life this year. I will start by thanking God for all of you. Happy and Blessed Thanksgiving to each of you, my special Friar Family. Brother Loves ya, especially on Thanksgiving Day!!!***

In Saint Anthony, Our Patron,
