The ceremony will be streamed into the classrooms, and faculty ushers will escort sophomore students to the Auditorium to receive your NHS pins and certificates. (Inductees will receive generic certificates at the ceremony and their personalized certificates the following day in Homeroom)

All inductees will be given an index card with your name on it. Inductees will give that card to either Mr. Arrigo or Dr. Buehler, who will then announce your name as you receive your certificate and pin. Any students who do not attend the ceremony will NOT have their name called. They will receive their certificate and pin the following day in Homeroom.

Campus III students are permitted to attend the ceremony. If any Campus III students must come for the school day on Tuesday, May 11th, you must report to the Student Center to scan into the cohorts for your classes.

Students are reminded that you should be in full and impeccable uniform (INCLUDING SWEATER VEST & BLAZER) and that there should be absolutely NO GUM CHEWING.

Parents will be able to watch the live ceremony via the link posted to www.stanthonyshs.org. The ceremony will also be recorded and posted to the website.
