Non-Duplication or Excess Provision

Reimbursements for eligible expenses are limited to expenses in excess of other valid coverage available to or on behalf of the Student for which the student and/or parent/guardian are legally obligated to pay. This includes, but is not limited to: group or individual accident and health plans, prepaid-for-service plans, HMO's, and provisions under the No-fault Insurance Statute, including the self-insured equivalent of any minimum benefits required by law.

If a student has coverage through an HMO, PPO, or similar arrangement, that plan must be used correctly or medical benefits under this Plan shall be reduced by 50%. If a Plan, representing other valid coverage available contains a similar non-duplication or excess provision of this Plan, reimbursement for eligible expenses will be shared on a 50/50 basis between the Plans.

Christian Brothers Service Student Accident Plan

Please keep this page for your records.

The Student Accident Plan is a program designed to reimburse parents/guardians for out-of-pocket expenses incurred from hospital, physician, and other medically- necessary eligible expenses resulting from an accident to their dependent child who is a full-time registered student in a school which has agreed to participate in the Religious and Charitable Risk Pooling Trust. The Plan is an "Excess" Plan over other valid coverage, as explained below.

How To Report an Injury and Initiate the Claim Process

To qualify for reimbursement for the benefits provided, the Eligible Expenses must be for Medically-Necessary Care and exceed the amounts for which a Covered Student is entitled to reimbursement by other valid insurance or health agreements. Please reference the **Non-Duplication or Excess Provision** on page 4.

Treatment must commence within thirty (30) days of the accident by a licensed physician. All medical/dental expenses are reimbursable only if incurred within one hundred and four (104) weeks from the date of injury. All bills must be submitted within one hundred eighty (180) days of treatment.

Submit the medical expenses to all other valid coverage available to or on behalf of the Student. This includes, but is not limited to, group or individual accident and health plans, prepaid-for-service plans, HMO's, and provisions under the No-Fault Insurance Statute, including the self-insured equivalent of any minimum benefits required by law.

The following information must be received by the Plan Administrator for payment consideration:

1. Notification of Injury form provided by the school. Part 1 of this form must be completed and signed by an authorized school representative. Part 2 of this form must be completed and signed by the parent/guardian and submitted within 180 days of the injury. If injury is dental-related, Statement of Dental Injury must be completed by dentist **and...**
2. Copies of all itemized bills showing the provider's name, address, tax ID number, diagnosis and procedure codes. You can request copies of itemized bills from any provider. Receipts and statements are not valid **and...**
3. Explanation of Benefits or denial letter from the primary insurance carrier(s).

The unpaid portion of the charges will be considered for payment and paid in accordance with the terms of the Plan. Benefits can be paid to the medical provider if the parent/guardian sends written authorization to pay the provider directly; otherwise, payments will be made to the parent/guardian. If the parent/guardian(s) are employed but have no insurance, we must receive a letter to that effect on the employer's letterhead.
