**2016-2017 STUDENT ACCIDENT PLAN**  
**\* IMPORTANT CHANGES EFFECTIVE 12/1/16 \***

The purpose of this letter is to let our members know that AG Administrators will replace MCA Administrators as the claims administrator servicing the Christian Brothers Student Accident Plan as of 12/1/2016. All claim forms and bills after this date will need to be submitted to AG Administrators, as well as any questions regarding past and current claims.

In an effort to provide the best service and support to the member schools of the Christian Brothers Student Accident coverage, we are always analyzing our existing programs and partners to find new way to improve. Since 1983, AG Administrators has proven to be one of the top Third Party Administrators of student and athletic accident insurance in the country and we are confident that we will receive nothing but excellent service with this change.

While the Third Party Administrator will be changing, the benefits and coverage levels that you have elected and come to expect from this coverage will not be changing. Additionally, there will be no new requirements of a claim submission. This change is strictly a strategic service and partnership enhancement moving forward.

Accompanying this notice, you will find an updated injury claim form with the AG Administrators claims mailing address and contact information. We have also included this information below, along with updated claim filing instructions on the following page.
