Tuesday March 13, 2018

Dear Students of Bishop McGann-Mercy High School,

I wish to offer you my commiseration on the news of your school closing. As an alumnus and a longtime teacher of a fellow Catholic high school, I am well aware that your school is a home away from home, and your teachers and classmates are an extension of your family. I cannot imagine how difficult it must be for you to say good-bye to a place you love.

We here at St. Anthony's would like to open our doors and offer you placement here for the 2018-2019 school year and beyond. Our Principal, Brother Gary, has instructed our Admissions Committee to ease the admissions and registration process for any students looking to transfer from Bishop McGann-Mercy.

Therefore, any students interested in applying to St. Anthony's High School can forego the online application process and simply email a copy of your most recent report card to pwashington@stanthonyshs.org. Brother Gary has also instructed me to waive the registration fee for any accepted students coming from Bishop McGann-Mercy.

I am sure that you have many details to consider. If you have any questions about academics, transportation, tuition, athletic eligibility, or if you'd like to come by for a tour of the campus, feel free to contact me at the above email or to give me a call at 631-271-2020 ext. 226.

God Bless.

Paul Washington
Director of Admissions
St. Anthony's High School
