

AP Spanish Summer Assignments 2018

Sra. Lynch

Students taking the AP Spanish Language class next year must complete the following assignments. You are being asked to complete these assignments in order to familiarize yourself with the exam itself, as well as maintain your Spanish over the summer. The work you'll be doing will keep your listening, speaking, reading, and writing skills active and encourage you to develop good habits for improving these skills in Spanish.

Please have all assignments done by 9/10/18. You will receive a grade for your work, so do your best! Have all work stapled together with your name on the front.
