

Application for Geometry Honors 2020/2021

Placement in Geometry Honors is not automatic with the All-Honors Letter. Placement in this class requires a 90% or higher on our qualifying test and 85% tile locally on the mathematics part of the Catholic Entrance Exam.

PLEASE NOTE THAT GEOMETRY HONORS COVERS ALL OF GEOMETRY AND 6 UNITS OF ALGEBRA 2 AND TRIGONOMETRY.

The topics that the student must study over the summer to prepare for this course will be emailed to each student who accepts an invitation to Honors Geometry.

This will occur after scheduling sends the list of course to each student.

I WOULD LIKE MY CHILD PLACED IN HONORS GEOMETRY IF HE/SHE QUALIFIES. IF MY CHILD IS PLACED IN GEOMETRY HONORS I TAKE RESPONSIBILITY THAT HE/SHE WILL COVER THE MATERIAL AS REQUIRED.

I am aware that a tutor will be needed to teach this material.
