**NOTE REGARDING EXTRA OR "OVERLOAD" COURSES:**

An overload course is defined as a course that is not the Guidance, English, Social Studies, Math, one science, Foreign Language, Theology, Gym and Health Course you signed up for above. If you sign up for an overload, you may not have any free periods or lunch periods (on some days, or all days). One semester may contain considerably more credits than the other if you selected half year courses. **DO NOT SIGN UP FOR OVERLOAD CLASSES IF THIS IS NOT ACCEPTABLE TO YOU.** When you sign up for an overload course, it is placed in your registration, BUT, you should not infer from this that you are guaranteed a spot in the course. You are simply guaranteed that we will endeavor to schedule you for the class. IT IS NOT ALWAYS POSSIBLE, and we occasionally have to drop overload courses (and sometimes even CORE courses) in the summer during the scheduling process. If this happens we will try to notify you. **\*\*Please take note that if taking two science classes is your priority, then you should not enroll in Honors Theology, since this combination very rarely works out. Students who do select a second science as an overload, AND also select Honors Theology will be dropped from the second science without notice in the summer if attempts to create the schedule are not successful. Essentially, it will be inferred that by making this selection, the Theology course should take priority.**

FILL OUT THE COURSE INFORMATION FOR THE EXTRA COURSE YOU WISH TO TAKE AND OBTAIN THE SIGNATURE FROM THE CHAIRPERSON OF THE DEPARTMENT (or other authorized signature) RESPONSIBLE FOR THAT COURSE. IF THE COURSE REQUIRED AN APPLICATION, ATTACH THE APPROVAL FORM YOU RECEIVED IN HOMEROOM. BE SURE TO CHECK THE COURSE SELECTION BOOK FOR PREREQUISITES AND QUALIFICATIONS. Do not sign up for more than 8 credits in total!
