March 9, 2020

Dear Saint Anthony's Family,

I have already sent you information concerning the Coronavirus and all of our present procedures here at school to ensure safety of all students, faculty and staff. At Saint Anthony's we are monitoring the situation and will continue to follow the lead of local, state and federal agencies including the CDC as well as the other Catholic High Schools. Each of these agencies sends out daily information that has proven to be most helpful for all of us.

At this time we have NO plans to close Saint Anthony's High School, however I want to assure you that we are fully prepared to have assignments and online learning ready in the unlikely event of a school closure.

There are many events scheduled to take place here at school. We are evaluating each of the events and will keep you posted if changes are to be made. I ask that we use common sense and take precautions as needed.

This is a NEW situation for all of us concerned, and I know that every school is adopting and doing their best to serve the needs of every child. I am certain that there will be some challenges ahead with the implementation of this plan. Technology will allow us the opportunity to proceed, and provide quality learning for all.

All of us at Saint Anthony's, thank you in advance for your cooperation and patience in this matter. It is difficult to prepare for an unknown future but as I have said to you over and over this is NOT a time for Chaos to prevail. It is a time to be calm, pray, and seek advice.

Be certain of our constant care for your child, and be assured that we will continue to provide you with updates and more specifics when and if needed.

Again, let us pray for one another.

In Saint Anthony, Our Patron,

Brother David Anthony Migliorino, OSF
Principal
