**ACADEMIC EVENTS:**

**THIS IS THE YEAR TO TAKE ADVANTAGE OF THE AP EXAMS, YOU HAVE MUCH TO GAIN BY TAKING THESE EXAMS!!!!!!**

- Final exams for Seniors are cancelled: Last day is May 8th
- Underclassmen Exams are cancelled: Classes will continue virtually until June 12th
- June 15th-19th will be for students to make up assignments and for any additional help with your studies, in order to help you with your Grades for this Fourth Quarter.

**We are well into the Fourth Quarter:**

**Seniors:** Let us finish strong. Get all work in and on time, contact your teacher if you need assistance or are missing assignments. I know you want to do your best. However, Seniors who fail must register and pass summer school in order to graduate.

**Underclassmen:** Get all your work completed and handed in on time. There will still be review sessions, and unit/chapter tests ahead. Everything is on schedule for you to finish the school year in good standing. If you need help - check with your teacher!

**All students and parents:** We held a full faculty meeting on Monday, April 27 morning to reinforce the Administration's desire for teachers to emphasize flexibility, communication and positive engagement with students. We are asking students and parents to reciprocate those same goals towards your teachers.

Students who were planning on boosting their grades with the final exam, should instead take full advantage of improving their grade in the 4th Quarter, which counts for 25% of the overall grade.

Although teachers have been asked to be flexible, they still will be providing lessons and assessments; and points may be deducted if assignments are turned in late. We are also still abiding by the times test schedule, where teachers have the option to give a timed test at 9am or 11am on their subject's designated day.

Please communicate with your teachers and guidance counselors about any extenuating circumstances you are experiencing. We want to support each student through the end of the school year. If You need help, please ask. The key to our collective success through the end of the year is **communication**.
