Protocols for Remote Students - 2020/2021

Saint Anthony's High School is committed to providing an authentic Franciscan education to all of our students. For those students who may need to attend Campus II or Campus III, you will be expected to adhere to the same school and classroom behavior policies that would be expected if you were present in class.

Protocols for Remote Students

- Attendance
 - ✓ Students are responsible to sign into your class' designated Google Meet or Zoom link before the assigned start time of that class.
 - ✓ Students must enter classes muted.
 - ✓ If there are any connectivity issues, students should email the teacher to confirm your attendance.

- Students' Screen Appearance/Background
 - ✓ Students must appear on screen throughout the class. Students are not permitted to replace their live screen with an icon.
 - ✓ All St. Anthony's uniform and grooming standards apply to remote students.
 - ✓ Students must be in a quiet room with no other distractions or people present.
 - ✓ To promote live student engagement in the class, remote students must wear ear buds.
 - ✓ Students must only be using their St. Anthony's issued iPad. No supplemental devices such as computers or phones are permitted.

- Protocols
 - ✓ Students may not eat or drink during class time.
 - ✓ Students may not talk on the phone / text during class.

Extracurricular Activities

Students who are enrolled in Campus II or Campus III are still eligible to participate in all school events and extracurricular activities. These students must follow the same screening and safety procedures as students entering the building at the beginning of the school day.

Any students who are transitioned to Campus III for COVID symptoms or a positive test are barred from after school activities until they are permitted by health officials to return to campus.

Transition Among Campuses

If at any point families wish to change campuses, they may contact pwashington@stanthonyshs.org to make that request.
