The accident insurance plan is designed to cover all registered participants of the policyholder while they're engaged in policyholder sponsored and supervised activities. The plan will consider reimbursement for eligible expenses which are not payable by your healthcare plan or any other insurance plan providing reimbursement for medical expenses. Therefore, prior to filing a claim against the accident insurance policy, you must first file the claim with your own healthcare plan. Please observe the following claim filing procedures: (Please include the policy number on all correspondence to facilitate the handling of your claim)

1. Obtain a claim form from the sponsoring organization. Only one form is needed for each accident, regardless of the number of expenses incurred for the particular accident.

2. Part I of the claim form should be completed and signed by an official from the sponsoring organization. Part I requests a description of how the accident occurred. Please check to see that a complete description is provided. For example, “Basketball” is not acceptable; however, “Twisted left ankle while playing basketball” is acceptable.

3. Part II of the claim form should be completed and signed by the claimant or the claimant’s parent or guardian if claimant is a minor. All questions in Part II must be completed in order for the company to examine your claim. Please do not leave any questions blank. Part II includes the section entitled “Authorization to Release Information.”

4. Itemized Bills must be submitted. Itemized Bills provide the dates of service, the procedure codes, the diagnosis and the charge(s). “Balance Due” bills are not acceptable because they do not provide all of the information needed to properly examine a claim.

5. When submitting charges for Physical Therapy, the itemized bill must be accompanied by the prescription and include the frequency and the duration of the treatment.

6. Submit copies of the Explanation of Benefits (EOB) statements from your own healthcare plan. The EOB’s will show how much your healthcare plan paid for the services rendered and the amount which is your responsibility. There should be an EOB for each Itemized Bill you have submitted for reimbursement.

7. Mail or email the fully completed claim form, each Itemized Bill (and the prescription, if applicable) and the corresponding EOB to the following address: (Please include the Policy Number on all correspondence)

Please remember, the policy is an Accident insurance policy. It does not provide reimbursement for illness or for injuries that are not the result of an Accident. It is subject to exclusions and limitations. The policy may also contain a deductible which may be the claimant’s responsibility. Please be aware that the claim form contains state mandated fraud warning language that requires your review and signature.
This Certificate of Insurance is issued under the terms of the Blanket Accident Policy issued to the Policyholder. Coverage is only described in the Certificate of Insurance. It is not the insurance contract. The Policy is the only contract under which benefits are paid. The Policy may be examined, upon request, at the office of the Policyholder.

It goes into effect, subject to its applicable terms and conditions, at 12:01 AM on the Policy Effective Date shown above, at the Policyholder’s address. The Policy terminates at 12:01 AM on the last day of the Policy Term unless the Policyholder and We have agreed to continue this Policy for an additional Policy Term. The laws of the State of Issue shown above govern this Policy.

We and the Policyholder agree to all of the terms of the Policy.

This Policy, including the Certificate, any endorsements, riders and the attached application of the Policyholder, constitutes the entire contract of insurance. No agent has authority to change this Policy or to waive any of its provisions.

Misstatement of Fact
No misrepresentation shall avoid this Policy or defeat recovery hereunder unless such misrepresentation was material. No misrepresentation shall be deemed material unless Our knowledge of the facts misrepresented would have led to Our refusal to issue this Policy.

Assignment
The rights and benefits under this Policy may not be assigned and any attempt to assign will be void.

Incontestability
Any statements made by the Policyholder or Covered Persons will be treated as representations and not warranties. No such statement will: void the insurance; reduce the benefits; or be used in defense of a claim for loss incurred; unless it is contained in a written application, and a copy is provided to the person who made such statement or his/her beneficiary or representative.

Reporting Requirements
The Policyholder or its authorized agent must report all of the following to Us by the premium due date:

2. the number of persons who are insured after the Policy Effective Date;
3. the number of persons whose insurance has terminated;

Any term of this Policy which is in conflict with New York state law or with any applicable federal law that imposes additional requirements from what is required under New York State law will be amended to conform with the minimum requirements of such law.

Compensation Insurance
This coverage under this Policy, and the corresponding Certificate, is not in place of and does not affect any requirements for coverage by workers' compensation insurance or law.
Claim Provisions

Notice of Claim
Written notice of claim must be given to Us within 90 days after a Covered Loss occurs or begins or as soon as reasonably possible. Notice can be given: to Us at Our Administrative Office, One Bala Plaza, Suite 100, Bala Cynwyd, PA 19004; to such other place as We may designate for the purpose; or to Our authorized agent. Notice should include the Policyholder’s name and policy number and the Covered Person’s name and address.

Claim Forms
We will send claim forms for filing proof of loss when We receive notice of a claim. If such forms are not sent within 15 days after We receive notice, the person making the claim will be deemed to have complied with the proof requirements by submitting, within the time fixed in this Policy for filing proof of loss, written proof of the nature and extent of the loss for which the claim is made.

Claimant Cooperation Provision
Failure of a claimant to cooperate with Us in the administration of the claim may result in the delay or termination of the claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Proof of Loss
In the case of a claim for loss for which this Policy provides any periodic payment contingent upon continuing loss, written proof of loss must be sent to Us within 120 days after the termination of the period for which We are liable. In the case of a claim for any other loss, written proof of loss must be sent to Us within 120 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible.

Time of Payment of Claims
Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment, will be paid immediately upon receipt of due written proof of such loss, and no later than 60 days after receipt of proof. Subject to due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid monthly. Any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

Payment of Claims
All benefits will be paid in United States currency. Benefits for loss of life will be payable in accordance with the Beneficiary provision and these Claim Provisions. All other proceeds payable under this Policy, unless otherwise stated, will be payable to the Covered Person or to his estate.

If We are to pay benefits to the estate or to a person who is a minor or otherwise incapable of giving a valid release, We may pay up to $1,000 to a relative by blood or marriage whom We believe is equitably entitled. Any payment made by Us in good faith pursuant to this provision will fully discharge Us to the extent of such payment and release Us from all liability.

Beneficiary
The beneficiary is the person or persons the Covered Person names or changes on a form executed by him. This form may be in writing or by any electronic means agreed upon between Us and the Policyholder. Consent of the beneficiary is not required to affect any changes or to make any assignment of rights or benefits permitted by this Policy, unless the beneficiary has been designated as an irrevocable beneficiary.

A beneficiary designation or change will become effective on the date the Covered Person executes it. However, We will not be liable for any action taken or payment made before We record notice of the change at our Home Office.
If more than one person is named as beneficiary, the interests of each will be equal unless the Covered Person has specified otherwise. The share of any beneficiary who does not survive the Covered Person will pass equally to any surviving beneficiaries unless otherwise specified.

If there is no named beneficiary or surviving beneficiary, or if the Covered Person dies while benefits are payable to him, We may make direct payment to the first surviving class of the following classes of persons:
1. Spouse;
2. Child or Children;
3. mother or father;
4. sisters or brothers;
5. estate of the Covered Person.

**Physical Examination and Autopsy**
We, at Our own expense, have the right and opportunity to examine the Covered Person when and as often as We may reasonably require while a claim is pending and to make an autopsy in case of death where it is not forbidden by law.

**Legal Actions**
No action at law or in equity may be brought to recover under this Policy less than 60 days after written proof of loss has been furnished as required by this Policy. No such action will be brought more than three years after the time such written proof of loss must be furnished.
ADMINISTRATIVE PROVISIONS

Cancellation
We or the Policyholder may cancel this Policy, after the first year, by giving Us 60 days advance written notice. Any premium rate guarantee will not affect Our or the Policyholder’s right to cancel this Policy.

If a premium is not paid when due, We will cancel this Policy at the end of the last period for which premium was paid, subject to the Grace Period provision. Premium Due Dates are shown in the Schedule of Benefits.

Cancellation will not affect a claim for a Covered Loss resulting from a Covered Accident that occurred before the cancellation date.

Premiums
All premium rates are expressed in, and all premiums are payable in, United States currency. The premiums for this Policy will be based on the rates, as set forth in the Schedule of Benefits or subsequently changed, the plan and amounts of insurance in effect for Covered Persons and the premium mode selected, as shown in the Schedule of Benefits. If a Covered Person’s insurance amounts are reduced due to age, premium will be based on the amounts of insurance in force on the day before the reduction took place. We will provide notifications of premiums due or premium changes, by mail to the most current address in our files, to the Policyholder.

Premium Payment
The total premium paid by the Policyholder is the sum of premiums for all Covered Persons including any amounts contributed toward the cost of this insurance by Covered Persons. The initial premium is due on the Policy Effective Date and each succeeding premium is due on the next succeeding Premium Due Date, as shown in the Schedule of Benefits, unless the Policyholder and We agree to another mode of premium payment. Premiums are paid at our Administrative Office or to Our authorized agent.

If any premium is not paid when due, this Policy will be cancelled as of the Premium Due Date of the unpaid premiums, except as provided in the Grace Period provision.

Changes in Premium Rates
We may change the premium rates from time to time with at least 31 days advance written notice to the Policyholder. No change in rates will be made until 12 months after the Policy Effective Date. An increase in rates will not be made more often than once in a 12-month period. However, We reserve the right to change rates at any time if any of the following events take place:
1. the terms of this Policy change;
2. the number of Covered Persons increases or decreases by more than 10% since the later of the Policy Effective Date and the first day of the current Policy term;
3. coverage is reinstated following failure to pay premium during the Grace Period;
4. acquisition, merger, consolidation, divestiture, corporate reorganization or purchase or sale of assets affecting, increasing or decreasing by 10% or more the number of Covered Persons;
5. a change in the number of Covered Persons which would, on a manual rate basis, require a change of 10% or more in the premium rate;
6. a change in any federal or state law or regulation is enacted, adopted or amended to the extent that it affects Our benefit obligations under this Policy; or
7. the Policyholder fails to provide sufficient information, as required by Us, to confirm adequacy of premiums and rates currently being paid.

Any increase or decrease in rate will take effect on the date of the applicable change specified above. A pro-rata adjustment will apply from the date of the change to the end of any period for which premium has been paid.

Premium Audit
We will have the right to audit books and records of the Policyholder at its place of business and during regularly-scheduled business hours, in order to determine the accuracy of premium paid.

**Reinstatement**

If any renewal premium is not paid within the time granted the Policyholder per payment, a subsequent acceptance of premium by Us or by any agent duly authorized by Us to accept the premium, without requiring an application for reinstatement, shall reinstate the Policy. If We or our agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the Policy will be reinstated upon approval for the application by Us, or if not approved, upon the forty-fifth (45th) day following the date of the conditional receipt unless We have previously notified the Policyholder in writing of disapproval of the application. The reinstated Policy shall cover only loss resulting from any accidental injury sustained after the date of reinstatement that begins more than ten (10) days after that date. In all other respects We and the Policyholder shall have the same rights as they had under the Policy immediately before the due date of the defaulted premium, subject to any endorsements attached in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty (60) days prior to the date of reinstatement.

SCOPE OF COVERAGE APPLICABLE TO MEDICAL EXPENSE BENEFITS

Covered expenses and any applicable Deductibles are shown in the Schedule of Benefits.

Other Health Care Plan Benefits
When another Health Care Plan provides benefits in the form of services rather than cash payments, We will consider the reasonable cash value of such service in determining whether any Deductible has been satisfied, or any amount by which any benefit provided by this Policy will be reduced.

Full Excess Medical Expense
We will pay Covered Expenses:
1. after the Covered Person has satisfied any applicable Deductible; and
2. only when they are in excess of amount payable by any Other Health Care Plan whether or not claim has been made for benefits it provides.

We will pay benefits without regard to any Coordination of Benefits provision in such Health Care Plan.

Any Covered Expenses payable under this provision will be reduced by the Other Health Care Plan Reduction Percentage shown in the Schedule of Benefits or the amount the other Health Care Plan would have paid had its services or facilities been utilized if:
1. the Covered Person has coverage under another Health Care Plan;
2. the Other Health Care Plan is an HMO, PPO or similar arrangement; and
3. the Covered Person does not use the facilities or services of the HMO, PPO or similar arrangement.

Covered Expenses will not be reduced for emergency treatment within 24 hours after a Covered Accident which occurred outside the geographic service area of the HMO, PPO or similar arrangement. This provision only applies when the Covered Person is covered for in-network benefits only.

Definitions
