FINAL THOUGHTS:

As I mentioned on Minute with the Monk, it was wonderful to see our Friar Athletes and Coaches on the field this past weekend. It was great to read all about the Friars in Newsday and more importantly I was so pleased to see all of our players, coaches and especially Parents following the rules set forth by the state and the league, I could not be prouder and more grateful for all everyone is doing to Stay Safe and Be Smart.

I remind all of us to keep safe and follow all protocols during this most challenging time. I thank you for your cooperation, patience and endurance. We are faced with many challenges and I am well aware of the many sacrifices YOU are all making to provide your child with their education here at Saint Anthony's. Let us continue to pray for one another as we meet these most unique challenges. Special thanks to so many parents who sent me notes about our faculty who are spending so much time in preparation for each student's success, I am very proud of the faculty who spend hours in preparation for classes.
