FINAL THOUGHTS:

I want to thank so many of you who have contacted our Nurses with information regarding Covid and Contact Tracing. Having that information has been most helpful as we experience this New Normal Period in our History. At present we have 4 students who have tested POSITIVE all those affected by this have been contacted. Please know that the procedures and rules change all the time and are directed by the local Health Departments of Nassau and Suffolk Counties.

I remind all of us to keep safe and follow all protocols during this most challenging time. I thank you for your cooperation, patience and endurance. We are faced with many challenges and I am well aware of the many sacrifices YOU are all making to provide your child with their education here at Saint Anthony's. Let us continue to pray for one another as we meet these most unique challenges. Special thanks to so many parents who sent me notes about our faculty who are spending so much time in preparation for each student's success, I am very proud of the faculty who spend hours in preparation for classes.

I am well aware that we send you many emails and updates, this is our best way to communicate with you. I thank you for keeping up with all the information, especially since so many things change on a Daily Basis.

In Saint Anthony, Our Patron,

Brother David Anthony Migliorino, OSF
