## **IMPORTANT: WEDNESDAY, 12/30, IS THE LAST DAY TO REQUEST A CAMPUS CHANGE FOR THE FIRST INTERVAL (JANUARY 4TH - JANUARY 15TH)**

Dear Parents,

I am writing this letter as a final reminder to check your son/daughter's campus status on Infinite Campus. This status (Campus I or Campus III) will remain unchanged for the duration of the first interval (January 4th - January 15th).

Parents who wish to change their son or daughter's campus designation for the first interval **MUST COMPLETE THESE STEPS BY WEDNESDAY, DECEMBER 30th:**

1. Log into your Infinite Campus Parent Portal
2. In the Menu on the left side of the screen, click "More"
3. Click "Absent Request"
4. Select the student(s)
5. In the "Excuse" select either: "Campus I" or "Campus III"
6. Select Absence Type: "Full Day"
7. You can ignore the dates and enter either "Campus I" or "Campus III" in the comment

The window for making Campus changes for the first interval will close on December 31st. Parents will then have another opportunity to make another campus change for Interval II beginning on January 15th. Any parents who wish to change their son or daughter's campus for subsequent intervals, should follow the same steps outlined above.

**IMPORTANT: In order for families to choose Campus I, you must complete the Testing Consent Form. This form only needs to be completed and submitted once. However, students who do not have the form submitted will not be permitted to participate in Campus I.**

Any students who are required to quarantine due to a positive case or a close contact will have your flags automatically adjusted by our COVID response team after we contact you to inform you of the case.

Finally, I ask that you read my weekly newsletter [here](#).

Let us all continue to pray that the new year brings us all good health and a light at the end of this long and arduous tunnel.

In Saint Anthony our Patron,

Brother David Migliorino, OSF  
Principal, St. Anthony's High School
