## 2. How do incoming freshman apply for Honors and A.P. Classes?

Students may apply for Honors and AP Classes using the online Course Selection Sheet. Access to this sheet is provided after registration and enrollment. Students will be able to access their list of classes online in May. This will not be the schedule, but rather just a list of the classes in which the student is enrolled. You are welcome to check multiple sports on that form. Fall Sports begin in August. There is a Fall Sport Information Night for all parents in the second week of August. If you have any other inquiries about Athletics, you can visit the Athletics page on the school website or contact the Athletic Department.
