Dear Saint Anthony's High School Family,

HAPPY EASTER!!!!

Well believe it or not, we are in the Month of April and it starts in a beautiful way with the Most Sacred of Weeks: Holy Week. The most solemn Liturgies of Holy Thursday, Good Friday, Holy Saturday and Easter Sunday are all upon us. The Glories of the Sacrament of the Eucharist, The Passion and Death of the Lord and the Triumph of the Resurrection usher in this Month. I do hope that Easter brings you and your family members joy and peace. I do hope you are able to attend the beautiful liturgies of the season as well.

During the month of March, we hosted many events. We expressed our faith and beliefs through daily mass, the XLT program, retreats and the special liturgy of Junior Ring Day. We celebrated different cultures through our afternoon of Celtic Music, and the Open and Honest Conversations with Alumni of Color, the NHS, Equity Club and our Student Advocacy organization. We experienced the enthusiasm and spirit of our students at athletic events and of course at the Junior Cotillion.

April is filled with many activities for all. First and foremost, I want to thank Brother Joshua, Mr. Farrell, Mr. Tucker and members of our Schola for the beautiful Liturgies that took place during Holy Week. I also want to thank Fr. Michael, Brother Vincent, Mr. Clauberg and the entire Theology department for the days of reconciliation that provided so many of our students with the opportunity to receive the sacrament of Penance. I also want to thank Brother Richard, Mr. Clauberg, Br. Vincent and Fr. Michael for the work and effort with our retreat program throughout the year. As we begin to wind down, I want you all to know that as a school we have retreats on every grade level for every student. This is a major task that is so worthwhile and distinguishes us as a Catholic School.

As the month continues, we will be able to host many events following all necessary covid protocols. On the horizon, we will have the Senior Drive-in Movie Night, Father/Daughter "Dance Event", Chorus and Orchestra Concerts, Student Council Elections, Pep Rally, Dress Down Days. While these events may look a bit different, the spirit of the Event will not be diminished. I want to thank all who are planning these events and especially thank everyone for their creativity and ingenuity in getting so much accomplished on a daily basis.

We are now in the Fourth and Final Quarter of the school year. Let us together - Students, Faculty, Staff and Parents - continue to strive for the best in each of us. This past year has taught us many new ways to be successful, let us now build on the strength, courage and determination that we all have experienced. Holding each of you in my heart and prayers, I ask you to do the same for me.

In Saint Anthony, Our Patron,
