

2021 Spring Sports Participants

Please Read Below Regarding Your Winter Sports Clearance

If you are enrolled on Appryse for the 2020-2021 school year, please refer to the email you received regarding Spring Sports Clearance. If not please see below.

- Student-Athletes who plan on playing a Spring Sport MUST be enrolled on Appryse.
- If you previously enrolled on Appryse, you will need to create a new enrollment for the 2020-2021 school year. All previous information entered will be shown.

In order to be cleared for a Spring Sport you MUST:

- Create a new enrollment on Appryse
- Have an approved up to date physical on Appryse.

After your enrollment is reviewed and accepted by the St. Anthony's school nurse you will receive an email stating: "Appryse Enrollment Accepted." After receiving the confirmation email you MUST complete the following two steps.

- Choose the sport you are trying out for on Appryse by clicking on the green "Tryouts / Activities" button.

****Please read Step by Step Directions Below**

The link to enroll or update your Appryse account is: <https://app.appryse.com/enroll/AYU7SC25>

Important notes before enrollment

- Questions or problems during enrollment should be directed to Appryse. Click the "Contact Support" button on the Appryse website.
- Only upload physical forms and immunization records. All other medical forms must be submitted to the St. Anthony's School Nurse (school medication forms, doctor's notes, etc.)

*****If your enrollment was declined, you will receive an email requesting additional information.***

Choosing a Sport

- To choose a sport, click on the green Tryout/Activities button found on the Parent Home Page. The green Tryout/Activities button will not show until your enrollment is accepted.
- When you have successfully chosen a sport it will show on the Parent Home Page
