Brother David Anthony Migliorino, O.S.F.
Principal

Dear Saint Anthony's High School Family,

CONGRATUALIONS!!!!!! IT IS JUNE!!!!!! WE MADE IT! WE NOT ONLY SURVIVED, WE THRIVED!!!

Yes, it is June and in a few short weeks, the school bell will stop ringing, the pitter-patter of feet will cease in our halls, the hustle and bustle of everyday life will change and we will close the door on the 2020-2021 school year. It has been a year filled with every emotion known to the world and I am most grateful for all everyone has done to make this year be so successful.

I want to begin by bidding a fond farewell to our remarkable Senior Class. They have been just amazing; they have left a mark and a legacy here for all of the underclassmen to follow. I will be singing their praises to the incoming Freshmen class this fall. I look forward to celebrating our Graduation Liturgy, Commencement and the Senior Prom with these great young people.

The End of the year is upon us and so that means that the last day of classes is set for June 10th. School Final Exams are set for June 11, 14 and 15th. Regents Exams are set for June 17, 22, 23, 24th and all make-up exams are set for June 25th. Please make sure you view all of the Final exam protocols that you have received. Please watch the Recent Minute with the Monk videos to understand all of this important information.

Summer School, and Friar Summer camps begin on June 28th. In addition there are many opportunities for academic, cultural, athletic and religious enrichment programs throughout these summer months. Summer will also afford us the time to update our present retreat center now called *The Brother James McVeigh Retreat and Kolbe Center* and begin construction on the *New Saint Anthony's Business and Entrepreneur Center*. These two projects will continue to enhance Saint Anthony's Students for years to come.

On a personal note, I cannot begin to thank you enough for your resilience, patience, cooperation, support and suggestions over the past year. We have weathered the storms ever so well and I cannot tell you how pleased and proud I am of our Faculty, Staff, Student Body and Families. Together we have been FRIAR STRONG!!!

I hope to continue with my *Minute with the Monk* and weekly updates over the Summer Months. I will keep you posted on any new developments and information.

Please use the summer months ahead to rest, relax and enjoy each other, stay safe and stay smart. You are all very special to me and to Saint Anthony's High School. *And Remember Brother Loves ya, even during the Summer Months!*

In Saint Anthony, Our Patron,

Brother David Anthony, O.S.F.
