

UPDATE

Monday, August 9, 2021

Dear Saint Anthony's Family,

At this point, we are still waiting and reviewing what other schools, school districts, and the Diocese may be sending us regarding the Opening of School and Covid requirements. Since many of our families share their children with us, their local district and other Catholic schools, we want to be in sync with what will be happening. An announcement will be forthcoming soon, I am in constant contact with all of the above institutions and systems. I thank you for your patience and cooperation. We will continue to do everything to keep our students, faculty and staff safe and protected.
