Dear Saint Anthony's Family,

Clearance for Winter Sports is underway. Saint Anthony's is no longer using Appryse for medical clearance and athletics pre-participation forms. We are now using Big Teams Student Central.

If you already created an account please update all expired forms. You can access your forms by signing into your account and clicking on Athletic Forms.

To be cleared for Winter Sports, all students must have an uploaded physical to their account and complete all forms before the first day of tryouts. The Saint Anthony's School Nurse will **ONLY** approve physicals uploaded to Big Teams Student Central.

Below you will find links to a kickoff letter, detailed instructions on creating your account, and a youtube video explaining how to link parent and student accounts. All tryout information will be posted in the coming days. Please direct questions about creating an account to the athletic department.

Please note, Saint Anthony's has already set up the student accounts using the student's school email address. Please click the link below regarding signing into the student and creating a parent account.
