FINAL THOUGHTS:

With the rise of cases on Long Island, I urge all families to continue to stay safe and make wise choices. Once we receive information from the county and state concerning Test Kits, I will keep you posted. I know many of you have already been tested or vaccinated if you have not updated the vaccination form, I ask that you do that in order for records to be accurate. I thank you for your cooperation and suggestions in all of these important issues. As we begin a New Year Let us pray that this new variant passes through us quickly.
