## CALENDAR FOR FINALS AND REGENTS 2022

Dear Parents and Students,

I would like to present to you some additional information concerning the school calendar for School Finals and Regents in June. I think it best to present this information now so that you can mark your own calendar.

**All students are required to take a final exam for every course in which they are enrolled. The students who are taking the Regents for a class listed below, will earn Regents credit for this course and this grade will also count as their final exam. Final exam and/or Regents grade will constitute 10% of the final grade for the course. Failure to take the Final Exam and/or Regents Exam at the scheduled time will result in 0% for the exam, unless a doctor's note is presented at the time of the absence, not after the fact.**
