## October 12th, 2022 PSAT

**\*Registration Deadline - September 9, 2022\***

August 18, 2022

Dear 10th and 11th Grade Students & Parents:

Saint Anthony's High School will administer an **optional** Preliminary Standardized Achievement Test (PSAT) to **Sophomores and Juniors ONLY**, on Wednesday October 12, 2022.

Any families wishing to sign up for this exam can register at: <https://www.stanthonyshs.org/psat-registration/>. The registration fee for the PSAT is \$25. All registrations must be submitted by Friday, September 9, 2022. The PSAT will be administered from 8:20AM to 12:15PM. Busing will be available for students taking the PSAT. **However, students utilizing extended time accommodations must remain for the full duration of their exam and will need to make arrangements to be picked up after the test.**

Since the PSAT is a practice exam, and those students approved for accommodations must remain for their full allotted extended time for the exam, accommodations for students with IEPs or 504s is not automatic. Students and parents wishing to apply for testing accommodations for the PSAT should complete and sign the following consent form:

(<https://accommodations.collegeboard.org/pdf/ssd-consent-form-accommodations.pdf>)

The consent form should be emailed to Mrs. Donnelly ([cdonnelly@stanthonyshs.org](mailto:cdonnelly@stanthonyshs.org)) *for students with 504 plan* and to Dr. Burton ([fburton@stanthonyshs.org](mailto:fburton@stanthonyshs.org)) *for students with an IEP* **as soon as possible** to begin the approval process. The approval process may take as long as 7 weeks. Students with extended time must stay the full time and should make arrangements to be picked up after their exam.

Classes will be canceled on Wednesday, October 12th, to facilitate students taking these exams. Sophomores and Juniors who have yet to take the PSAT are strongly encouraged to register.

Best wishes to you and your family in the upcoming school year.

Sincerely,

Gerard Spennato  
PSAT Coordinator
