Dear Parents/Guardians

NYS has implemented a new required school health form. There have been some changes made to the previous layout of the form. On page two of this form there is a section entitled "Family cardiac history reviewed" that must be completed for your child to be cleared to participate in athletic activities. Please review the form once your provider has completed it and ensure it has been checked.

NYS has also amended the form to include gender identity and sex assigned at birth. As a Catholic School we are aware that these terms can be offensive. Please realize that we are required to use this particular form. Following the principles of the church, we adhere to the Gospel message in everything we do. We know and understand that you respect our values here at St Anthony's High School.

Attached please find the new form.

Thank you, The Nurses

Dear Parents/Guardians,

The NY State Education Law requires a medical examination for all 9th & 11th grade students and all new entrants at any grade level. At this time we have not yet received your student's physical.

The required form can be found on the Saint Anthony's website: Resource tab - select Nurse's Page - scroll through page and select NYS Health Exam Form. Your child's doctor should be able to provide the NYS Health Exam Form as well.

You may submit the physical to nurses@stanthonyshs.org or mail it to 275 Wolf Hill Road South Huntington NY 11747 - attn. Nurses

Thank you, The Nurses
