Brother David Anthony Migliorino, O.S.F.
Principal

Dear Saint Anthony's High School Family,

WOW! It is June! Hard to Believe!!!! Yes, it is June, the month where we Honor Our Graduates, the month where we honor our Fathers, the month that we end the school year and finally the month that allows us to Honor our Patron Saint Anthony and the Sacred Heart of Jesus.

Let me begin by honoring our Senior Class of 2023, a class that is very special to me. We all started Saint Anthony's together and now we bid them a fond farewell and thank them for all the Honor that they brought to Saint Anthony's. This class has certainly left a great legacy for all of us in every possible way: Academically, Athletically, Culturally and most of all, Spiritually. I will miss them but I will always thank God that our paths have crossed. It will be a privilege to honor them at the Baccalaureate Mass and Graduation.

Well, it is the month of FINALS and REGENTS exams. We must all prepare well for these assessments. I have always believed that these tests can produce such good for all of us. They allow us to measure what we have not only learned but also accomplished all year. On June 7, you are welcomed to join us for an Evening of Science Research where our students' accomplishments will be on display.

Our Mothers' Guild and Fathers' Guild will host their final meetings and install new officers. Our Moms and Dads do so much for the school. They are present all the time and assist in so many ways. I know I speak for all of us when I say we owe a great debt to these men and women who by example and hard work give so much to our school.

It is a month to pause, remember and honor our Patron, Saint Anthony. We all know that Saint Anthony is famous for many things but he is also the First Franciscan Educator. Here we all follow his example. This month we Honor the Most Sacred Heart of Jesus, the Heart that LOVES and PROTECTS each of us. We honor and induct our Former Outstanding Athletes at the Hall of Fame Dinner on June 13. Finally, we commemorate the emancipation of enslaved people in the United States, "JUNETEENTH".

Amidst all of this, we have time for FUN. Our annual Six Flags Trip and the beginning of our Summer Camps, Enrichment Classes and the Police & Surgeons Benevolent Association Car show.

Some important dates to keep in mind: Summer school registration begins June 22, Summer Camps, Summer School begin June 26 and Report Cards will be posted that day as well.

Well, the year is ending and we all will welcome the summer months. I cannot thank you all enough for making the year special and memorable. As we all take time to rest, relax and refresh ourselves know that I will be keeping you in prayer and yes, missing you! I cannot wait for construction to begin on the Richie Reichert Athletic Complex; once again, it begins a New Era for Saint Anthony's High School.

HAPPY FATHERS DAY !!! REST, RELAX, ENJOY THE SUMMER, AND I WILL SEE YOU ALL IN SEPTEMBER, AND REMEMBER EVEN IN THE SUMMER, BROTHER LOVES YA!!!!!!

In Saint Anthony, Our Patron,
