## BROTHER'S FINAL THOUGHTS

We certainly are in the Final Stretch of the Academic Year. I do hope every student is getting their work in and that they are preparing for Final Exams and Regents. It has been a very busy year and we have all accomplished much. As we head to the finish line let us keep all things in Focus. This coming weekend we celebrate Memorial Day, let us remember those who gave their lives for us to live in Freedom. Enjoy the many festivities of the weekend ahead as we kickoff summer.
