## Library News

- Thank you to all of our student elves who have been busy decorating our library. We are all enjoying a bit of Christmas spirit! The next two weeks Mrs. Adler will be joining our AP Microeconomic Classes to introduce Excel for Business. We also have some students in AP Macroeconomics who are working on this as an independent study. Collaborations went well on the topics of Creative Commons and Digital Footprint this past week with a Computer Science Class. Thank you to one of our community service helpers, Faith, who has been working on creating a logo for our library! We can't wait to share it.
- As always, **all staff, faculty and students are welcome to any of our resources!** Contact us at [library@stanthonyshs.org](mailto:library@stanthonyshs.org), stop in, or call x 279 for assistance. Remember you have 24/7 access to [Accessit](#).

**JUST A REMINDER THAT FOOD AND DRINK ARE NOT ALLOWED IN THE LIBRARY**

## BROTHER'S FINAL THOUGHTS

Well the Christmas Spirit has certainly hit Saint Anthony's High School. It is Concert Week so all of our students are preparing to perform in excellent form. The week is filled with so many service opportunities and drives to help those in need during this most beautiful season of Advent and Christmas. I am always so humbled by the generosity of our families. During the week our Catholic High School Principals and Athletic Directors will meet here on Wednesday, December 6 to discuss important issues for our students. This is always a great meeting because we all get together and express our love of the mission of Catholic Education. We will celebrate Two All-School Liturgies for the Feast of the Immaculate Conception and the week ends with Concerts on Friday and Saturday. On Sunday we will welcome Home our Alumni at a Breakfast with Santa. So, once again buckle up, it is just another great week here in Friarland. Finally, please know I along with our entire school community will be keeping all of you in prayer this holy Season of Advent.
