### Library News

- Reading is Reading. We have many resources that can help connect patrons to literacy in multiple formats. Access to interviews with authors, help finding books that might be of interest, shelf talkers, fun activities, diverse titles are just some of the connections we can assist with. Those that say, "reading is not for them", we believe just haven't found the right connection as of yet. Stop in and speak to one of our Librarians for suggestions or resources that may help.
- As always, **all staff, faculty and students are welcome to any of our resources!** Contact us at [library@stanthonyshs.org](mailto:library@stanthonyshs.org), stop in, or call x 279 for assistance. Remember you have 24/7 access to [Accessit](#).

## BROTHER'S FINAL THOUGHTS

Well we are going to end January and begin February with so many wonderful events. It is Catholic Schools Week and Spirit Week here at Saint Anthony's. Get ready for many exciting events, games, prizes, Pep Rally and many surprises this coming week. It all ends with a Great Afternoon of Celtic Music on Sunday, February 4 at 2pm in our auditorium. As the week ends we also begin a month where we honor BLACK HISTORY. Be sure to check all of our social media channels to read about important facts and contributions in Black History. The second marking period report cards will be posted later today. In a special way I ask Senior Parents to make sure that our Senior class students continue to do well and finish strong. The week ahead is very busy and fun-filled so sit back, and enjoy all of the Festivities. As always many thanks for all you do in making Saint Anthony's a great place.
