## BROTHER'S FINAL THOUGHTS

This past week was certainly filled with many emotions. We celebrated our School not only with a fantastic over the Top Spirit Week but also highlighted Saint Anthony's as we celebrated Catholic Schools Week. It certainly was a week filled with many wonderful and exciting events. There was something for everyone here this past week.

We also spent time this week praying for the response of the soul of Senior Chidubem Okoli. Chidubem graced our school with humor, friendship, love and joy. I pray that many of you will be able to attend his wake and funeral mass right next door at Saint Elizabeth of Hungary Church this coming Saturday, February 10.

When I look back at the week, it was simply a microcosm of the many moments we all spend here at school. We pray, study, laugh, cry, struggle and assist each other in so many ways. I am proud to say that I, along with our faculty and staff, feel so blessed to share this journey with all of you. Let us continue to work together on this great journey we call life here at Saint Anthony's High School
