BROTHER'S FINAL THOUGHTS

We are marching through MARCH. As I said in my newsletter, there are many activities to keep us busy. The week is filled with many opportunities for prayer, service, fun and celebrations. We have our annual Soup Day this Tuesday, and Our Class will be honored with the blessing of their rings at Mass on Friday followed by their special banquet on Saturday. There is an opportunity for our faculty and staff to partake in a Lenten Prayer retreat after school on Wednesday. Finally our Juniors and Freshman also have retreats this week. We will soon end our Winter Sports program as we have already begun our Spring Season. Finally our Incoming Freshmen Class of 2028 have another opportunity for Course Selection this Tuesday. As I have said over and over again, it is another Busy Week Here at Saint Anthony's.
