Library News

- Wed. March 20, Mrs. Langer and some of our Library volunteers are going to be crafting in our makerspace after school at 2:45. No need to sign up - just stop in after school. Our new shelf signage, created by Mrs. Larson has come in and will be going up shortly. This will begin our

move of our collection to help make finding what you're looking for hopefully a bit easier. Student volunteers and staff will be working on shifting the collection to align with the signage. Mrs. Adler will be attending conferences and collaboration meetings this week and is excited to bring some fresh ideas back to share with our students and faculty!

- As always, **all staff, faculty and students are welcome to any of our resources!** Contact us at library@stanthonyshs.org, stop in, or call x 279 for assistance. Remember you have 24/7 access to [Accessit](#).

JUST A REMINDER THAT FOOD AND DRINK (other than water) ARE NOT ALLOWED IN THE LIBRARY

BROTHER'S FINAL THOUGHTS

I almost get tired of saying, It's Another Busy Week here, but it really is another Busy Week. We have Two Days of Reconciliation services. Many of our area priests will be here assisting with the sacrament of Penance. I thank them for their time and effort in helping our students. Our annual College Fair takes place on Tuesday, March 12. We have over 130 colleges and universities in attendance, so this is a great opportunity for our students and parents to take a closer look at what every college has to offer. The National Honor Society will sponsor a Blood Drive on March 13 and later that night The Mothers Guild is hosting a Casino Night, it promises to be a great night of fun for all. On Thursday, March 14 we will host our Winter Varsity Athletic Awards Night, and if you are going to the Saint Patrick's Day Parade in the city, this coming Saturday be on the lookout for our Celtic Friar Band and Color Guard. Finally I ask that you help us out by taking the parent Survey as we prepare for our site visit with the Middle States Accreditation Association.
