Brother David Anthony Migliorino, O.S.F.
Principal

Dear Saint Anthony's High School Family,

Greetings!!! I am writing to you during our Easter Break and time away from school. I do hope that your Easter was a glorious time spent with family and friends. I hope that you were able to participate in the beautiful liturgies of the season.

Well, it is now April and we are in the final stretch of the school year! In a few days, the Third Marking Period Grades will be posted. I will be writing comments on our Junior Class Report cards and mailing those to you shortly. As we all head into the Fourth and Final Grading Period, I urge everyone to do their best, check Infinite Campus and make sure all work is completed on time.

April is filled with many wonderful opportunities for all of us. It is the month where our Fine Arts Department offers us Great Performances with Jazz and Percussion Concerts, Choral Concerts, Concert Band, Symphonic Band and Orchestra Concerts. The Art Department will highlight the skills and creativity of our students during the annual Spring Art Show. I am always amazed at the amount of talent our students possess; I marvel at the way our Faculty and Students gel so well and produce such excellence.

Since it is the Fourth Quarter and we are preparing for the upcoming school year, April will be filled with Student Council elections and National Honor Society and SALT interviews for Leadership positions. I enjoy seeing all of the creative campaigning and I love to listen to the candidates' ideas and goals for the future.

Our annual Multicultural Day will take place on April 17. This day displays the wonderful diversity that is Saint Anthony's High School. It is so important for us to realize the importance of culture, customs and tradition that make up the mosaic of our Country. Every culture has added much to our Nation and it is that freedom that we celebrate.

Two of my most favorite events also take place during the month. Our annual Fathers' Guild Father/Daughter Dance and Senior Antics Night. It is just grand to see our Dads and their Daughters light up our dining hall with great music and dance. This year's Beach theme promises to be the Best. I love Senior Antics Night simply because it is all about the Great Class of 2024. Our Seniors have been great role models for all of our underclassmen. It is fun to see them celebrate one another as they begin the last days of their senior year.

As always, there is time to pause and reflect on our spirituality with class liturgies, retreats, service projects and especially the Franciscan Care for Creation Day. This past Easter we welcomed many of our students who were received into the Church and received the Sacraments of Baptism, Holy Eucharist and Confirmation. As we near the Feast of Pentecost, more students will be confirmed. I thank our Campus Ministry team for their efforts in this most sacred undertaking.

Finally, the month will afford us the opportunity to honor our many administrative assistants who do so very much to make the school run ever so well. These individuals work so very hard to make Saint Anthony's not only a great place but also a most sacred place.

I pray that you will enjoy the month ahead. Let us use these 30 days of April and the glories of the Spring Season to enliven us to the wonders of the Risen Lord! So yes, we are Easter People and our song is ALLELUIA!!!!!!

In Saint Anthony, Our Patron,
