BROTHER'S FINAL THOUGHTS

Not only does April have lots of showers it is filled with so many wonderful activities. Last week we had a Magnificent Multicultural Day, followed by the Father/Daughter Dance and then the Challenger Camp on Sunday. All of these events allowed Saint Anthony's Friar Family and Spirit to really shine. We were honored to have Suffolk District Attorney Ray Tierney '84 present a workshop to our students and faculty here this past Friday morning. It is always wonderful to see our graduates make such a Mark in our community. On Wednesday of this week we honor our Administrative Assistants who do so much to keep the school going each and every day and in a special way our Senior Athletes will commit to their respective colleges. Our Fine Arts Department will be showcased on Friday and Saturday with our annual Choral and Instrumentalist concerts as well as the Spring Art Show. It is wonderful to see such talent on display. I am certain I will see many of you during the week at all of these events.
