## ACADEMICS

## Library News

- This past week we worked with Mr. Roveto's 9th grade Social Studies classes to help prepare them for a very engaging end of the year lesson he has planned. To get the thought process going, students learned the QFT process strengthening their ability to improve and ask the right questions. Using our Library's school wide account, Mr. Roveto followed our lesson by doing a digital EDU Breakout Game. This week we will be back with his classes to share library resources that may help to support their activity. Thank you Mr. Roveto for working with us.
- As always, **all staff, faculty and students are welcome to any of our resources!** Contact us at [library@stanthonyshs.org](mailto:library@stanthonyshs.org), stop in, or call x 279 for assistance. Remember you have 24/7 access to [Saint Anthony's Library](#).

# BROTHER'S FINAL THOUGHTS

We are now in the midst of the Final Farewells to the Class of 2024. They have been an Outstanding Class and are leaving a great legacy for all of us. The Senior Barbecue last Friday was a HUGE SUCCESS!!!! Tonight we have the Senior Prom, followed by Graduation Practice on Thursday, The Graduation Liturgy on Friday and Finally the Commencement Exercises on Saturday morning. For so many it will be a week to remember and celebrate. I want to once again congratulate our Senior Class for all they have done to make Saint Anthony's High School a very special place.

As we head into June, we are preparing for Regents and Final Exams. I do hope everyone is taking advantage of extra help and getting all of your work turned in on time. We all want every student to end the year well and be most prepared, so please use these final days to work hard and do your best. Before you know, Summer will be here and we all will take a much needed break. Until then, STOP, LOOK, LISTEN AND PREPARE!!!!!!

**Brother David Anthony Migliorino, OSF**
