Brother David Anthony Migliorino, O.S.F.
Principal

Dear Saint Anthony's High School Family,

Can you believe it is **JUNE** and we are almost at the end of a most successful school year? Well it is **JUNE** and we still have many important and exciting events to look forward to as we near the end of the school year.

Let me begin by focusing on our **SENIOR CLASS**. They have been exceptional in so many ways. I look forward to celebrating with them at their **Prom, Graduation Liturgy and Commencement exercises**; this class has received many scholarships, many awards, won many titles and graced the school in so many ways. We bid them a fond farewell and know that they will continue to make Saint Anthony's High School proud!

On **June 8** our Diocese will sponsor **BEHOLD, A EUCHARISTIC CONGRESS**, here at school. We anticipate Thousands of people here to pray worship and adore the **BLESSED SACRAMENT**. I am honored that the Diocese chose Saint Anthony's as the place to Welcome Jesus into our midst. There will be **great speakers, workshops, music, and prayer, Adoration and Solemn Liturgy** for all. I do hope to see you there. We will celebrate **the Feast of Saint Anthony** on June 13 with a special liturgy and gathering of our faculty and staff as we honor Four Faculty members who will retire at the end of the year. **Mrs. Barba (English), Mrs. Corrao (Theology and Campus Ministry) Mrs. Fahey and Mrs. Gash (Both Social Studies) have given countless years of service to the school and touched so many lives. it is only fitting that we HONOR them for your love of Catholic education.** Finally yet importantly, it is the Month of the **Sacred Heart of Jesus**, so it is fitting that we place our cares and trust in **HIM**.

On the academic Front, we will host a special **Evening of Science Research** on June 5. The evening will allow us to showcase our talented students in our Science Research Program. **Our last day of classes is set for June 10, followed by 2 weeks of Regents examinations.**

There is still time for FUN as we travel to Six Flags this month, host the Police Surgeons' Association Car Show and begin our **Summer Camps and Academic Enrichment Programs**. June also allows us the opportunity to STOP and **HONOR our HALL of FAME ATHLETIC AWARD WINNERS** on June 17.

Finally, June allows us to reflect on the Importance of **JUNETEENTH**, a second Independence Day for the country as well as honoring our Dads and their role in our Lives on **Fathers' Day**.

Well it has been a **Great Year, A Year of Success, A year of Victories, A Year of Growth and most important a Blessed Year**. I extend my gratitude for all that you have done to Make the 2024-2025 school year a Special Year filled with such Goodness and Blessings!!!! Enjoy the summer break and Remember even during Summer that **Brother Loves ya!!!**

In Saint Anthony, Our Patron,
