CHEERLEADING - Student Center

Follow our Instagram for all season updates: [@st.anthonyscheer](#)

Cheerleaders are athletes who perform cheers, stunts, tumbling, and dances at games and can be seen practicing diligently throughout the year, including the Summer months. Cheerleading is both a Fall and Winter sport with tryouts for each season. We cheer at all home football and basketball games, some away games, and championship games. Attendance at all games is mandatory! In addition, all three teams attend Catholic league competitions; varsity also attends UCA regionals and nationals.

St. Anthony's cheer program has three teams:

- Freshman—grade 9 only; dance/jump skills required. Cheer/stunt/tumbling recommended. Beginner level stunts.
- Junior Varsity—grades 9-11; dance/jump/cheer/advanced stunt skills required. Tumbling is preferred and highly recommended.
- Varsity—grades 9-12; double jumps/elite stunts/sharp motions and dancing required. Tumbling required to be on a varsity competition mat.

ALL TRYOUT DAYS ARE MANDATORY. At the time of tryouts, each group of 4-5 athletes will show their skills (dance, cheer, jumps, stunts & tumbling). Placement on a team is based on score as well as cheer position needed. For each tryout day...

- Wear a white t-shirt (no tank tops), black shorts, socks and sneakers/cheer sneakers.
- Hair **MUST** be pulled back in a high ponytail.
- Nails must be cut short.
- **NO JEWELRY!**
- **NO GUM CHEWING!**

In preparation for the tryout and potentially making the team, running, stretching, and conditioning should be the norm throughout the Summer months. Friar Sports Cheerleading Camp held July 21 - 24 (3-8pm) is a great opportunity to learn St. Anthony's cheers and prepare for the tryout in advance! It also gives incoming Freshmen an opportunity to meet other Freshmen and build lasting friendships before the school year begins.

The Boys Soccer Program has a long and proud tradition of excellence. We seek student athletes with character, determination, and the heart and desire to be the best on and off the pitch.

Our coaching staff is committed and dedicated to fielding teams that will go on to compete at the highest levels. We are very excited about the upcoming 2025 Fall Season and urge you all to be prepared for tryouts – physically and mentally.

To wear the Black & Gold and compete at this highest level requires you to report to tryouts game fit. By now, each player should be working out with and without the ball. You must be present for tryouts to be eligible to participate on our soccer teams.

Please be prepared, and report 30 minutes before your actual tryout time. Please wear a white t-shirt with your name printed on the back. Please bring shin guards, soccer shoes, running shoes, and water to last you for each tryout session.

*Please note: If you make one of our teams, preseason training sessions will begin on August 21st and continue until the start of school. Good luck to all of you, and I look forward to seeing you on August 18, 19, and 20.
