Transportation is provided by a family's local school district. Typically, residents within a 15 mile radius of Saint Anthony's High School will receive busing from the local district.

*All Students are required to hand in your local district's **Transportation Form** to formally request busing to Saint Anthony's.*

*Saint Anthony's **does not** arrange busing for students.*

Students commuting to school beyond the 15 mile radius must make their own arrangements for transportation. Many families choose to use private bus services, for example Montauk Bus Company. For students who take the LIRR, Saint Anthony's provides a free shuttle service to and from the Huntington Station in the morning at 7:30 AM, in the afternoon at 2:30 PM and again after sports and clubs at 5:30 PM.

All inquiries about busing should be addressed to the local school district.

Please contact Mrs. Jill Riemer, the Transportation Coordinator, at 631-271-2020 x263 with any questions.
