Dear Saint Anthony's Families,

We are excited to announce that the Saint Anthony's High School Athletic Department has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign athletic participation forms for your students.

You may review your data at any time to verify its current status. You will be required to sign your forms once per year and after any update.

The Parent Playbook (link below) will help you get started in FinalForms. If you require any support during the process, please scroll to the bottom and click "Get Help."

Starting on Monday, July 14, 2025, we are asking parents or guardians of all students planning to participate in sports during the 2025-2026 School Year to create accounts in FinalForms and register their student(s). Please register at: <https://stanthony-ny.finalforms.com/> and follow the prompts to create your account, create your students account, and sign your forms.
